Call Kim Dean @ 903-815-3347 to place your order.

This is my personal cell phone and I answer it 24 hours per day unless I'm on the other line. If you don't reach me, please leave a message. I will ALWAYS return your call. Your shipping address will be confirmed before shipment. Your tracking number will be sent via text after FEDEX has picked up semen boxes.

We ship on Monday, Wednesday & Friday ONLY

We ALWAYS want to ship to you when your mare is a breeder. THEREFORE, I MUST know BY 6PM EST the day BEFORE a shipping day if you're having your mare checked early (by 7AM EST) on a breeding day so we can save (if possible) that stallion until last to collect—mares that are on the tentative list MUST confirm/cancel by 7:30 am EST on a shipping day so that shipments that need to fly out may get out as early as possible.

We ship on a first called-first served basis. We've got some very popular, busy stallions and while we always want to ship two doses, per out contract, one concentrated dose will be shipped if it's available—however, if 2 doses ARE available, they will be shipped to the people at the top of the list—so confirm early!! We cannot guarantee we will have semen available if you have called in late. We will not collect the stallion a second time the same day *after* a Stallion has been collected, extended, packaged in order preserve semen integrity for all mares. We start collecting as early as ~ 5AM CST, therefore, **we MUST know the day prior to a shipping day** if you will need a shipment for your mare.
