## **We ship on Monday, Wednesday & Friday ONLY**

**We ALWAYS want to ship to you when your mare is a breeder. THEREFORE, I MUST know the day BEFORE a shipping day if you're having your mare checked early (by 7AM EST) on a breeding day so we can possibly save that stallion until last to collect unless—mares that are on the tentative list MUST confirm/cancel by 7:30 am EST on a shipping day so that shipments that need to fly out may get out as early as possible.**

**We ship on a first called-first served basis. We've got some very popular, busy stallions and while we always want to ship two doses, per out contract, one concentrated dose will be shipped—however, if 2 doses ARE available, they will be shipped to the people at the top of the list—so confirm early!! We cannot guarantee we will have semen available if you have called in late. We will not collect the stallion a second time the same day *after* a Stallion has been collected, extended, packaged in order preserve semen integrity for all mares. We start collecting ~ 5AM CST, therefore, we MUST know the day prior to a shipping day if you will need a shipment for your mare.**

## **BREEDING SEASON INFO:**

- 1) When your mare *begins* cycling, please call 903-815-3347 to be put on a “tentative” shipping list so I’ll know approximately how many mares we may be shipping to on a certain date. We ship on a *first ordered, first shipped* basis.
- 2) **It is very important your vet knows our shipping dates so they will know when to order semen.**

**PLEASE HAVE YOUR MARE CHECKED THE DAY BEFORE A SHIPPING DAY.**

As soon as you know you need a shipment, call me to put your mare on the list—I answer my phone 24 hours per day. If I don’t answer, leave a message & I’ll call your right back. 903-815-3347

- 3) We begin collecting the Stallions ~ 5:00 A.M. CST on Monday, Wednesday & Friday ONLY and the semen is processed, extended and packaged immediately after each collection. In order to preserve the integrity of the semen for ALL mares, we cannot collect a stallion a second time on the same day after he has already been collected. YOU MUST PLACE AN ORDER/PUT ON TENTATIVE LIST BY 6PM CST-the day prior to a shipping day.
- 4) Please make sure to have your Federal Express shipping address ready when you call to place your order for a shipment. Shipments sent on Friday will need to go to a Federal Express address that has Saturday delivery (if your home address or vet’s office does not have Saturday delivery, this can be sent to a business close to you or to a Federal Express airport location—it is the breeders/veterinarian’s responsibility to make sure it has Saturday delivery availability).
- 5) If shipping via the airlines for same day service, please know complete and accurate name of the closest large airport to you plus the name, address and phone number of who will be picking the shipment up at the airport as this must be put on the airline ticket information.
